HOLLIS – David R. Crupi LLC, of Hollis, a design, build and remodeling company, was honored with four awards at the Cornerstone Awards held Oct. 2 at the New Hampshire Institute of Art in Manchester.

The Cornerstone Awards recognize excellence in the building and remodeling professions in New Hampshire and are produced by the New Hampshire Home Builders Association.

Award entries were anonymously judged by peers from other home builder associations throughout the country.

David R. Crupi LLC won a Gold Award for Kitchen Remodel over \$125,000. It also received a Silver Award for Bath Remodel under \$25,000, and Bronze Awards for Residential Remodel between \$100,000 and \$300,000 and Most Unusual Project.

The projects, located in Bedford, were designed by Susan Crupi, director of design services for the company, who has been designing award-winning projects for more than 15 years.

David R. Crupi, a general contractor and a master finish carpenter, has been providing remodeling services for more than 30 years.
